## **VISION AND MISSION OF THE DEPARTMENT OF MECHANICAL ENGINEERING**

### **VISION**

To be distinguished as a centre of excellence in the field of Mechanical Engineering, where teaching, learning and research synergize to deliver technical education and scientific research for public good.

### **MISSION**

- To impart quality education to create efficient Mechanical Engineers who can compete at the global level.
  - To build State-of-the-art research facilities in Mechanical Engineering in order to enable the faculty and students to learn and disseminate knowledge and innovate in their applications.
  - To foster the spirit of entrepreneurship and encourage consultancy to enable all round personality development in students.
  - To improve communication skills to excel in higher studies and placements.
- To facilitate team work culture and improve the social standards and quality of life of graduates.

## VISION AND MISSION OF THE DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

### VISION

To be a place of academic excellence by imparting quality education, carrying out research and technology development in frontier areas of Electronics and Communication Engineering.

### MISSION

**M1: Professional Growth:** To shape graduates into hardcore professionals who would become effective leaders and noteworthy innovators in the technology areas of Electronics and Communication Engineering.

**M2: Lifelong learning:** To motivate and encourage our students to engage in lifelong learning which would help them keep abreast with contemporary developments in their fields of operation and enable them to leverage on the power of knowledge to become outstanding performers in whatever careers they choose.

**M3: Team work:** To inculcate creative thinking through innovative and group work exercises which enhances the Entrepreneur skills, Employability and Research capabilities.

**M4: Skill Development:** Enable students to develop skills to solve complex technological problems of current times and also provide a framework for promoting collaborative and multidisciplinary activities.
