About AITS:

Annamacharya Institute of Technology and Sciences(AITS) an recognized by under UGC Section 2(f) and 12(b), and established in the year 2005, is a fast growing technical institution in Andhra Pradesh under the an spices of the well known Annamacharya Group of Educational Institutions. The Annamacharya Group is synonyms with quality engineering education having its institutions across the length and breadth of Andhra Pradesh. AITS are situated near the World renowned Ramoji Film City, in idyllic spot amidst a vast area of 30 acres with Sylvain surroundings. It now has fully fledged laboratories for all five departments of CSE, ECE, CIVIL, EEE and MECH Engg. The college, apart from 5 Undergraduate courses, has also offering Postgraduate Programs like ECE (ES,ECE),CSE and MBA under the JNTU.

About Workshop:

Ever evolving world of technology and social connectivity, intellectual rights are playing an increasingly important role or growing a business. Intellectual property rights (IPR) allow innovative entrepreneurs to protect their inventions & new business ideas. IPR also helps the firms to recoup their innovation investment and consequently provides an incentive for investing in innovation. Effective IP Systems also help in attracting the potential funders for investment and technology collaborations between the firms. IP strategies is becoming even more critical in helping new venture & existing entrepreneurs to transform their innovation potential and creativity into market value and competitiveness.

PRINCIPAL
Annamacharya Institute of
Technology & Sciences

Mission:

To Provide strong foundations, facilitates in an excellent academic environment, conducive learning. To implement learning centered teaching practices and deliver industry ready students with professional ethics, concern for environmental safety & awareness of societal problems in the design-production cycle.

Vision:

“To evolve into a centre of excellence in science & technology through creative and innovative practices in teaching-learning, promoting academic achievement & research excellence to produce internationally accepted competitive and words class professionals who are psychologically strong and emotionally balanced imbued with social consciousness and ethical values”

Sub: Permission to conduct IPR on "Industrial Design protection"

Respected sir,

I'm writing to request permission to conduct the IPR on Industrial Design protection and duration is Two days. Conducted by Department of Electrical and Electronics Engineering and taught by academicians. It will be held on 16.11.2021 to 17.11.2021 at the AITS. The IPR of primary interest to students and faculties and it covers under the Industrial Design protection subject of known gaps/Content beyond syllabus/Add on course in the curriculum. This IPR focuses on Industrial Design protection. Students and faculties will be exposed to many real-world applications for this seminar.

I think this IPR is an outstanding value, considering how concentrated it is with time. Thank you in advance for considering this opportunity for me to conduct this seminar. Here am attaching the details of the program.

I look forward to hearing a positive response to my request.

Thanking you

Sincerely,

ABOUT WORKSHOP

Introduction: Industrial Design protection is provided for a shape, configuration, surface pattern, colour, or line which, when applied to a functional article, produces or increases and improves the visual appearance of the design. Industrial Design protection is a type of intellectual property right that gives the exclusive right to make, sell, and use articles that embody the protected design, to selected people only.

Objectives of the Workshop:

- Awareness on Intellectual Property Rights under trade Mark protection.
- Academic and industrial research perspective and IPR.
- Innovative steps to quality and success.
- Protecting and exploring IPRs.

Theme of the Workshop:

- The workshop focuses on following topics:
- It should be novel and original
- It should be applicable to a functional article
- It should be visible on a finished article
- It should be non-obvious

About AITS:

Annamacharya Institute of Technology and Sciences(AITS) an recognized by under UGC Section 2(f) and 12(b), and established in the year 2005, is a fast growing technical institution in Andhra Pradesh under the auspices of the well known Annamacharya Group of Educational Institutions. The Annamacharya Group is synonyms with quality engineering education having its institutions across the length and breadth of Andhra Pradesh. AITS is Situated near the World renowned Ramoji Film City, in idyllic spot amidst a vast area of 30 acres with Sylvain surroundings. It now has full fledged laboratories for all five departments of CSE, ECE, CIVIL, EEE and MECH Engg. The college, apart from 5 Undergraduate courses, has also offering Postgraduate Programs like ECE, EEE, CSE and MBA under the JNTUH.

Objective of the Workshop:

Intellectual property is the area of law that deals with protecting the rights of those who create original works. It covers everything from original plays and novels to inventions and company identification marks. The purpose of intellectual property laws is to encourage new technologies, artistic expressions and inventions while promoting economic growth. When individuals know that their creative work will be protected and that they can benefit from their labour, they are more likely to continue to produce things that create jobs, develop new technology, make processes more efficient, and create beauty in the world around us.
