ANNUAL REPORT 2019

Good morning and warm welcome to you all.

Today, the 13th annual day of our college, is significant day for all of us gathered here. It is the day for us to re call the noble vision of our Founder Chairman Sri. C.Gangi reddy garu and celebrate our achievements in the field of education.

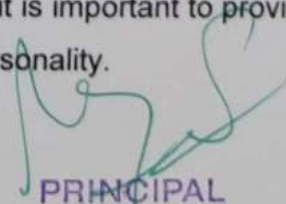

On this occasion, I am privileged and honored to welcome our chief guest for honoring us by accepting our invitation to be the chief Guest of our 13th college day celebrations. I express my sincere gratitude to the chief guest for spending the day with us and making it a memorable day in the history of AITS. I wholeheartedly welcome our Executive Director Sri. Abhishiek Reddy garu whose continues support to us.

I extend my welcome to Director, Dean and Heads of Departments, members of the faculty, non-teaching staff and beloved students.

On this wonderful day, when we have gathered here to acknowledge and celebrate the contributions of achievers, I deem it an honor to present our 13th college day report.

Our view of Education

Annamacharya Institute of Technology & Sciences was established in 2005, living up to the noble vision of its founder Sri. C.Gangi Reddy garu, strongly believes in the concept of holistic education and strives to achieve its goal of preparing students to meet the challenges that we face in the twenty-first century. We believe, it is important to provide education that focuses on the overall development of human personality.

Annamacharya Educational trust, a philanthropic organization having vast experience in running several technical institutions at Rajampet, Kadapa, Tirupathi and Hyderabad. The trust runs around 4 engineering colleges by name AITS in Andhra Pradesh and Telangana. Under its umbrella it has degree colleges, Physical educational colleges and International schools which are renowned for their disciplined approach. These colleges are running successfully past two decades.

The AITS Hyderabad approved by NAAC "A" grade and permanently affiliated to JNTU, Hyderabad. The college also ratified its three courses CSE, ECE & EEE by the Institute of Engineers (India).

Having felt the need to strengthen the industry-institutional interaction and collaboration, our college has signed several MOUs with some major industries and organizations through this, industry supported laboratories were established.

Our faculty published around 20 papers this year in bot national and international journals.

Our college values continuing education and constantly encourages the departments to organize workshops conferences, seminars. This creates opportunities to the faculty to develop them professionally and also to disseminate knowledge.

A number of conferences and workshops were organised by various departments during the academic year.

Our colleges is the member of Unnata Bharathi a PM organised scheme and they are going to fund us to develop poor villages , like conducting medical camps, fluoride problems etc,. We are also applied for funds to AICTE, UGC etc,. to initiate research activities.

The placement team strives to achieve the objective of placing all the students. Several companies visited our campus and selected the students.

The training cell commenced its activities in June 2016 by conducting an in-house pre-placement training program for the students entering the final year. Students were trained in quantitative aptitude, verbal aptitude and reasoning aptitude. We are also a registered member of **TASK**.

Performance leads to recognition. Recognition leads to respect. Respect leads to power. Therefore, my friends, there is only one way to make India a powerful nation. That is through performance. Aspirational performance requires that you create aspirational targets, and work hard, fast, smart, honest and in a disciplined manner over a long period of time to achieve these targets. Remember that discipline, speed of decision making, and velocity of action are necessary attributes for high performance.

Remember that this institution has given you a passport to better respect and prosperity for yourself. The hallmark of a civilized individual is to show gratitude to those that have made you more than what you were. Therefore, please contribute generously to make this institution stronger to serve even a larger number of smart people like you. Remember the words of John Kennedy who said that a society, that cannot help many who are poor, cannot save the few who are rich. Your betterment lies in the betterment of the entire society. Therefore, please contribute in kind and cash to bring smile to the poorer sections of the society around you.
